### **Notice to all Drivers and Car Owners:**

All participants must conduct themselves in a manner not detrimental to racing. Profanity in front of the race fans, officials, management, profane signs or writing on cars, etc., will not be tolerated and may subject the offending party to penalties.

Arguing with Dean or any other Officials Will result in Black Flag and Possible Suspension!!  
Team or Crew members are included.

Conduct on Social Media deemed detrimental to Affordable Stock Car Racing and/or its sponsors may subject the driver or team to penalties such as fines and could result in immediate to indefinite suspension.

No equipment will be considered as having been approved by reason of having passed through tech inspection unobserved!

It is your responsibility to see that your car is legal. If you have any questions ask! All cars are subject to inspection at any time. There will be no admission or pit fee or entry fees returned if your car cannot run that night for whatever reason.

Remember, rules may not cover every incident that may occur. Therefore, in those situations the decision of the promoter and/or inspecting official is final. If you are asked to make changes to your car you must do so that night, please do not ask if you can run like it is. If your car is found illegal after a race, you forfeit all monies, trophies and points for that night.

All drivers are responsible for the actions of their pit crews. Any activity that is deemed to be poor conduct will result in the driver, pit crew member and car owner suspended for a time set forth by the officials and a fine may have to be paid before you are allowed to race again.

The rules and/or regulations set forth herein are designed to provide for the orderly conduct of racing events and to establish minimum acceptable requirements for such events. These rules shall govern the condition of all events and by participating in these events. All participants are deemed to have complied with these rules. No express or implied warranty of safety shall result from publication of/or compliance with these rules and/or regulations.

They are intended as a guide for the conduct of the sport and are in no way a guarantee against injury or death to a participant, spectator or official.

The race official shall be empowered to permit minor deviation from any of the specifications herein or impose any further restrictions that in his opinion do not alter the minimum acceptable requirements. No expressed-or implied warranty of safety shall result from such alteration of specifications. Any interpretation or deviation of these rules is left to the discretion of the officials. Their decision is final.

If there is an issue in the tech area/scale area following an event, prize money for the top 5 positions will be held for one (1) week or until the next event, whichever comes first.

**\*\*NO GRAY AREA-IF IT IS NOT LISTED IT IS NOT ALLOWED!**
